

# You May Be Surprised!

## 1. 大意をつかむ

★質問★ 「〇〇に驚くかもしれない！」 〇〇に入るものは？

- ①イチゴの美味しさ ②イチゴの種類が多さ ③イチゴの安さ

Do you like strawberries? I think they are delicious, but they are usually more expensive than other fruit. Good strawberries can cost 400-500 yen per pack. That's too expensive for me and my family to eat regularly. Recently, however, the price of strawberries seems to have gone down. I have seen strawberries that are fairly cheap. I found packs as low as 250-300 yen when I went to a supermarket a couple of days ago. If they stay cheap, I can eat them more often. Go to your supermarket and check the price of strawberries. You may be surprised!
